

Don't want it? Then give it away online

AN ONLINE service now allows people to pass on household goods for free rather than sending them to landfill. Lord Mayor of Dublin Vincent Jackson said the website, www.dublinwaste.ie, would help householders to get and give away good quality items including fur-

niture, stereos, baby products, garden items, books and clothes. "Now that we have established a strong network of recycling facilities in Dublin and the public are actively recycling, we are moving our focus to encouraging people to reuse as well," said Cllr Jackson – above with model

Ruth Griffin launching the service. "People moving house or redecorating often want to change their suite of furniture or TV but can't trade in the old one and that's where www.dublinwaste.ie comes in," said Hugh Coughlan, senior executive officer with Dublin City Council.
